Note

On 29th December 1898, the late Plague Commissioner in Mysore issued a circular* order to all the Dy Commrs of Distts directing that all the District Plague Officers & officers in charge of Plague measures in the Distts should be asked to submit daily diaries of work done by them with any interesting facts worth notice.

* No 5246-53 dated 29th Decr 1898. Seal no 1

This order was superseded by another order which caused the change of the daily diaries into Weekly diaries except the Chief Plague Officers of the Bangalore & Mysore Cities who were made to submit their diaries daily as usual & it continued to April 1901 when the office of the Plague Commr was abolished. Since then the diaries are being received to the address of the Asst Secretary, L.B Branch as directed by Govt Procs No 5788-95 dated 11.1.1899 Seal no 3 / 12999-13306 Mis 3460 dated 18th April 1902.

These diaries were prescribed when there was a special Officer as Plague Commr who had authority to ~~Cxx~~ pass orders thereon on his own responsibility, & ensure promptness of disposal. The Senior Surgeon is Chief Adviser in the matter and orders are passed by him in the usual course. Diaries are instituted for the altered circumstances & unnecessary. The weekly and daily returns prescribed, special reports of Plague in large places ~~xxx~~ or on a large scale, and if required occasional D.O. ~~Ltr~~ repts would seem to be quite sufficient. Order solicited whether the diaries may be ordered to be discontinued.

The order of Oct 1st 1901 may be
so modified as to require that the diaries
in question be sent to Govt thro' the
Senior Surgeon and Sanitary Commr & both his
& am not in favor of this being remarks
discontinued - The submission of
of diaries direct to Govt is under
the present altered conditions
undesirable - I was myself
thinking of moving in the matter, and
I am glad that the Secretary has
raised the question -

Dear Sir,

Please tell the Senior Surgeon of Sanitary Power (Semi officially) that we propose the Council of the Health Officer of the Bangalore Telephone Exchange should not be sent to us unless they can come under Regulations of Special Notice, and that I should be glad if he could, instead of the Council, ask his office to send me a Clerk direct - every day or every other day or at convenient intervals, showing all deaths in municipal & other towns in the State -

May I know if the Kolar G.F. diary should continue? I doubt if the omission is not accidental.

I don't think it necessary.
